

# Landscape Design Proposal

Date: \_\_\_\_\_

Prepared For: \_\_\_\_\_

Project Address: \_\_\_\_\_

Prepared By: \_\_\_\_\_

## 1. Project Overview

Describe the scope, goals, and vision for the landscape design project. Outline major areas of focus, site considerations, and key objectives.

## 2. Design Concept

Summarize the proposed design theme, materials, plant palette, and key features (e.g., patios, lawns, walkways, water features).

### Site Analysis

- Existing conditions
- Site measurements
- Sun/shade patterns
- Utilities & access

### Design Features

- Planting areas
- Hardscape elements
- Irrigation & lighting
- Special features

## 3. Project Timeline

Phase	Description	Estimated Dates
Consultation	Initial meeting and site walk	_____
Design	Conceptual plans & revisions	_____
Finalization	Construction drawings & approvals	_____
Installation	Landscape build-out	_____

## 4. Estimated Costs

Item/Service	Estimated Cost
Design Fee	_____
Materials	_____
Labor	_____
Other	_____

Total

\_\_\_\_\_

---

## 5. Terms & Conditions

Briefly outline payment terms, work schedule, warranties, and other important project conditions.
