

# Nonprofit Program Support Proposal

## 1. Executive Summary

Provide a concise overview of the proposal, highlighting the program, its purpose, and the amount or type of support requested.

## 2. Organization Overview

- Mission and vision
- Brief history and key achievements
- Summary of current programs and impact

## 3. Statement of Need

Describe the problem or need your program addresses, using relevant data and evidence to support the urgency or significance.

## 4. Program Description

- Program goals and objectives
- Target population
- Program activities and methods
- Timeline of key milestones

## 5. Outcomes & Evaluation

- Expected outcomes and impact
- Methods for measuring and evaluating success
- Reporting plan

## 6. Budget and Sustainability

- Summary of program budget and use of funds
- Other confirmed or pending funding sources
- Plan for program sustainability beyond this support

## 7. Organization Leadership and Partners

- Brief bios of key staff and/or board
- Key collaborators or partners

## 8. Conclusion

Restate the need for support and your organization's commitment to achieving the proposed outcomes. Include gratitude for consideration.

## 9. Appendices (Optional)

- Letters of support
- Relevant data or research

- Organization financial documents
