

# Laboratory Research Grant Narrative Structure

## 1. Project Title

## 2. Principal Investigator(s) Information

- Name:
- Department/Institution:
- Contact Information:

## 3. Abstract / Summary

## 4. Background and Significance

## 5. Objectives / Specific Aims

- 
- 
- 

## 6. Research Design and Methods

- Overview of Approach
- Methods and Techniques
- Data Analysis Plan
- Timeline

## 7. Expected Results and Potential Impact

## 8. Laboratory Facilities and Resources

## 9. Budget Overview

- Personnel
- Supplies
- Equipment
- Other Expenses

10. References
