

# Educational Research Report Outline

## Title Page

- Report Title
- Researcher's Name
- Institution/Affiliation
- Date

## Abstract

- Summary of research purpose, methods, results, and conclusions

## Introduction

- Background and Context
- Statement of the Problem
- Purpose of the Study
- Research Questions/Hypotheses
- Significance of the Study

## Literature Review

- Overview of Existing Research
- Theoretical Framework
- Gap in the Literature

## Methodology

- Research Design
- Participants/Sample
- Data Collection Methods
- Instruments/Tools
- Data Analysis Procedures
- Ethical Considerations

## Results

- Presentation of Findings
- Tables and Figures

## Discussion

- Interpretation of Results
- Comparison to Previous Research
- Implications

## Conclusion

- Summary of Key Findings

- Limitations
- Recommendations for Future Research

## **References**

- List of Cited Works (APA/MLA/Other Style)

## **Appendices**

- Supplementary Materials (e.g., Survey, Interview Protocols)
