

# Corporate Safety and Health Policy

## Purpose

The purpose of this Corporate Safety and Health Policy is to affirm **[Company Name]**'s commitment to providing a safe and healthy working environment for all employees, contractors, visitors, and stakeholders.

## Scope

This policy applies to all company employees, contractors, and visitors across all facilities and job sites operated by **[Company Name]**.

## Policy Statement

**[Company Name]** is committed to maintaining the highest standards of safety and health in the workplace. We believe that the prevention of accidents, injuries, and occupational illnesses is essential to the efficient operation of our business and the well-being of our people. Safety and health will never be compromised for any other business objective.

## Objectives

- Comply with all applicable safety and health laws and regulations.
- Provide appropriate safety and health training to all employees.
- Maintain equipment and facilities to ensure safe operations.
- Encourage proactive reporting and correction of unsafe conditions and behaviors.
- Continuously improve our safety and health management systems.

## Responsibilities

### Management

- Demonstrate commitment to safety and health through visible leadership.
- Allocate resources to maintain safe working conditions.
- Ensure compliance with this policy and all safety regulations.

### Supervisors

- Implement and enforce safe work practices.
- Conduct regular safety inspections.
- Report and address hazards promptly.

### Employees

- Follow all safety procedures and instructions.
- Report hazards, incidents, and near-misses immediately.

- Take reasonable care of their own health and safety and that of others.

## Implementation

This policy is communicated to all employees and is reviewed annually for effectiveness and improvement.
