

Safety Policy Statement for Occupational Health

Purpose

This Safety Policy Statement affirms our organization's commitment to ensuring a safe and healthy working environment for all employees, contractors, visitors, and stakeholders. The prevention of occupational injuries and ill health is a core value and an integral part of our operations.

Policy

We are dedicated to upholding high standards of occupational health and safety by proactively identifying and controlling workplace hazards. Compliance with applicable legal requirements and continual improvement of our health and safety management systems are essential components of this commitment.

Our Commitments

- Provide a safe and healthy workplace by eliminating hazards and reducing occupational health and safety risks.
- Comply with all relevant occupational health and safety legislation, standards, and guidelines.
- Encourage employee participation and consultation on occupational health and safety matters.
- Provide adequate resources, training, and information to enable employees to work safely and responsibly.
- Investigate and review all incidents, implementing appropriate corrective actions to prevent recurrence.
- Continually improve our occupational health and safety management system and performance.

Responsibilities

Management is responsible for implementing this policy and ensuring its effectiveness. All employees are expected to take reasonable care of themselves and others, and to cooperate fully with the organization in all matters of health and safety.

Communication

This policy is communicated to all employees and is available to interested parties. It is regularly reviewed for ongoing suitability and updated as necessary.
