

# Environmental Management Policy Draft

## 1. Purpose

This Environmental Management Policy outlines the commitment of [Organization Name] to operating in an environmentally responsible manner. This policy sets forth our approach for minimizing negative impacts on the environment and promoting sustainability across our operations.

## 2. Scope

This policy applies to all employees, contractors, and visitors engaged in activities within or on behalf of [Organization Name] at all locations.

## 3. Policy Statement

[Organization Name] is committed to continual improvement in environmental performance, compliance with all relevant legal and other requirements, and the prevention of pollution. We strive to integrate environmental considerations into our day-to-day business practices and decision-making processes.

## 4. Objectives

- Comply with all applicable environmental laws, regulations, and standards.
- Identify and manage the environmental impacts of our activities, products, and services.
- Promote efficient use of resources and minimize waste generation.
- Encourage environmental awareness and responsibility among staff and stakeholders.
- Prevent pollution through proper management of emissions, effluents, and waste disposal.
- Support continual improvement through regular monitoring, reporting, and updating of environmental objectives and targets.

## 5. Implementation

The management will allocate appropriate resources to support this policy, including training for employees, implementation of best practices, and periodic assessments of environmental performance.

## 6. Roles and Responsibilities

- **Management:** Ensure effective implementation of the policy and integration into all business functions.
- **Employees:** Adhere to environmental procedures and attend necessary training.
- **Environmental Coordinator:** Oversee environmental programs and compliance with this policy.

## 7. Review and Communication

This policy will be reviewed annually and updated as necessary to reflect organizational and regulatory changes. The policy shall be communicated to all employees and made available to stakeholders as appropriate.

## 8. Approval

This Environmental Management Policy is approved by:
