---

## PROFESSIONAL SUMMARY

---

Project-based solo consultant with 7+ years of experience delivering value to organizations in technology, operations, and change management. Proven expertise in stakeholder engagement, process improvement, and cross-functional team leadership across diverse industries.

## PROJECT EXPERIENCE

---

Project Lead Consultant Mar 2023 – Dec 2023

*Client: Acme Technology Ltd.*

Led end-to-end rollout of digital workflow solution for 150+ users. Analyzed requirements, defined project milestones, and facilitated change adoption. Delivered 18% efficiency gain and reduced operational errors.

Operations Improvement Consultant May 2022 – Feb 2023

*Client: Greenfield Logistics Co.*

Assessed existing supply chain processes and introduced new reporting methods. Trained in-house teams, enabling a 10% reduction in lead times.

Change Management Specialist Jan 2021 – Apr 2022

*Client: FinServe Partners*

Managed communications and workshops for a core system migration project, ensuring smooth transition with zero critical disruptions.
