About

Passionate freelance developer with 5+ years' experience helping startups and agencies deliver high-impact, user-centered web applications. Specializes in front-end and contract-based projects.

Contract Projects

ClientCorp Intranet Portal   *Front-End Developer*   Mar 2024 – Jun 2024
Built a responsive React.js portal for 2000+ employees with real-time notifications and dashboard analytics.

E-Store Redesign   *UI/UX Designer & Developer*   Oct 2023 – Feb 2024
Redesigned and implemented a mobile-first e-commerce site, increasing conversions by 15%.

SaaS Dashboard MVP   *Full Stack Developer*   May 2023 – Aug 2023
Developed core features: authentication, analytics, and user management for an early-stage SaaS tool.
