

Startup Collaboration Agreement Blueprint

1. Parties

This Startup Collaboration Agreement ("Agreement") is entered into by and between:

- **Party A:** _____
- **Party B:** _____

Collectively referred to as "the Parties."

2. Purpose

The Parties wish to collaborate on the development and/or commercialization of the following project ("Project"):

3. Roles and Responsibilities

1. **Party A:** _____
2. **Party B:** _____

4. Intellectual Property

Unless otherwise agreed, any intellectual property developed during this collaboration shall be owned as follows:

5. Confidentiality

All confidential information shared between the Parties in relation to the Project shall be kept strictly confidential unless written consent is provided by the disclosing Party.

6. Financial Terms

The Parties agree to the following terms regarding funding, expense sharing, profit sharing, and/or equity allocation:

7. Term and Termination

This Agreement shall commence on _____ and will (select one):

- Continue until the Project is completed, or
- Terminate on _____ unless extended by mutual written consent.

8. Dispute Resolution

If disputes arise, the Parties shall attempt to resolve them through good faith negotiations. If unresolved, disputes will be referred to (mediator/arbitrator/court) in the jurisdiction of _____.

9. Miscellaneous

- This Agreement represents the entire understanding between the Parties and supersedes all prior discussions.
- No amendment is valid unless made in writing and signed by both Parties.

Party A

Date: _____

Party B

Date: _____
