

# Statement of Purpose

[Your Name]

[Program Name], [University Name]

## **Introduction:**

Briefly introduce yourself and your academic background. State your interest in the program and your career aspirations.

## **Academic Background:**

Summarize relevant undergraduate or prior education. Highlight academic achievements, important courses, or projects.

## **Research Experience & Interests:**

Describe any research, thesis, or work experience related to your field. Mention specific interests you wish to pursue in graduate school.

## **Professional Experience (if applicable):**

Highlight any relevant internships, jobs, or volunteer experiences. Discuss the skills and knowledge gained.

## **Why This Program/University:**

Explain why you chose this program and university. Mention faculty, facilities, research groups, or curriculum aspects that attract you.

## **Future Goals:**

Outline your career or academic goals and how this program will help you achieve them.

## **Conclusion:**

Reaffirm your interest in the program, express your readiness, and thank the committee for considering your application.
