

# Parental Consent Statement

## For Minor Data Collection

I, the undersigned, am the parent or legal guardian of the minor named below. I have been informed about the data collection process involving my child. I understand that the information collected may include, but is not limited to, personal data, responses to surveys, and other information related to the purpose of this study/project.

I acknowledge that participation is voluntary and that I may withdraw my consent at any time without any negative consequences for my child. The data collected will be handled confidentially and used solely for the stated purposes.

By signing below, I grant permission for the data collection regarding my child's participation.

Minor's Full Name:

---

Parent/Guardian Name:

---
