

# Research Observer Confidentiality Waiver

This Confidentiality Waiver is intended for research observers who, by their participation in this research study, acknowledge and agree to the statements below regarding confidentiality and data handling.

## Scope

As a research observer, I acknowledge that I may witness or access confidential or sensitive information relating to the participants, procedures, or findings of the research project.

## Waiver and Terms

- I understand and agree that confidentiality of all observed information must be maintained at all times.
- I will not discuss, share, or disclose any personally identifiable or sensitive information encountered during my observation, unless explicitly permitted in writing by the principal investigator.
- I waive any claim to confidentiality should information I provide during observation be used for research purposes in a manner consistent with ethical guidelines and applicable laws.
- I understand the importance of maintaining the integrity and security of the research process and agree to comply with all protocols set by the research team.
